

## **Play for Cuba Collections plans**

### **Stage 1**

April 2018 – March 29<sup>th</sup> 2019

All instruments must be collected by the regional collection coordinators so that they can be packaged and labelled correctly. The final date for collecting instruments is March 29<sup>th</sup> 2019. All items collected that are being loaded onto the containers must be included in the final shipping lists that must be emailed to the Play for Cuba office.

### **Stage 2**

March 29<sup>th</sup> – April 11<sup>th</sup> 2019

We have managed to set up a number of more local options to make it easier for groups to drop off their packaged and labelled items. There may be other options that become available and I will circulate details if there are. Hopefully some groups can still coordinate local transport to help facilitate getting instruments to one of these drop of points.

<b>London</b>	<b>By Monday 1st APRIL</b>
<b>Hackney, North London</b>	<b>By Thursday 4th April 09.00am</b>
<b>South London ? TBC</b>	<b>By Thursday 4th April 10.00am</b>
<b>Brighton</b>	<b>By Wednesday 7<sup>th</sup> April</b>
<b>Didcot, Oxford</b>	<b>By Monday 8<sup>th</sup> April 11.00am</b>
<b>High Littleton, Bristol</b>	<b>By Monday 8<sup>th</sup> April 13.30pm</b>
<b>Leicester</b>	<b>By Tuesday 9th April 11.00am</b>
<b>Cambridge</b>	<b>By Wednesday 10th April 11.00am</b>
<b>Essex, Rainham, Freight Depot</b>	<b>By Thursday 11<sup>th</sup> April</b>
<b>Salford, Manchester</b>	<b>By Tuesday 16th April 14.30pm</b>

Please contact the coordinators in advance to make any arrangements to drop items off and please stick to the listed time slots available at each location. Full details are below. These are all points where groups can take their items and where there is transport in place to get the items onto the container itself.

We will be organising centrally for a large 7.5 tonne lorry to collect from London, Oxford, Bristol, Leicester and Cambridge.

Brighton group are also organising a van to take instruments direct to the Essex Depot.

The container lorry itself will make one collection in Salford, Manchester.

This means that most groups should have access to a collection point which is reasonably accessible to them.

Unfortunately it is not possible to arrange for transport to every one of the 37 regional collection points but we hope that groups can now work out a way to get their items to one of these organised points. If groups are still having difficulty or have any queries then do get in touch as early as possible.
